Art Unit: 1655

This action is in response to the amendment filed July 28, 1999 in which claims 4,6,10,12,14,18 and 20 have been canceled and claim 19 was amended. In the previous action, the examiner erroneously indicated that claim 15 was allowable. Claim 15 should have been objected to as depending from a rejected claim. Claim 15 is now objected to because it depends from canceled claim 14. However, this objection can be easily overcome by amending claim 15 to dependent from claim 13 instead of claim 14. The arguments directed to the rejection of claims 8, 16, 9 and 17 made under 35 U.S.C. 112, first paragraph, for introduction of new matter and for lack of enablement are convincing and the rejections of these claims are withdrawn.

Since the original patent, or an affidavit or declaration as to the loss or inaccessibility of the original patent has not been received, this reissue application can not be allowed even though only formal matters remain in this application.
